Strategies: The Art and Science of Holistic Strategy
Dr. Cook points out that strategic action is seldom included in any contemporary interpretation or application of strategy, yet action is both the realization of strategy and the creation of new possibilities beyond strategy. In that sense, strategic action is the end and the beginning of strategies.

STRATEGIES: The Art and Science of Holistic StrategyMost of what passes for strategic planning is just long-range planning, comprehensive planning, or in some cases merely program or project planning. Cook maintains that even to attempt strategy follows a coherent system of strategic thinking, strategic planning, and finally strategic action.
